Sharon,

I will be glad to send the parties a note. I am so sorry to hear about your Mom. May everything go well. My thoughts are with you & your family.

Hi David,  
I'm hoping that you will be able to notify the parties in New Cassel that we will not be able to turn around a new document to them until the middle of July. Unfortunately I am in the middle of an emergency with my mother and had to fly down to Florida on Saturday. I'm hoping to work when I can but I don't know how much that will be. Jen is also working with her team to revise the PDI work plan taking into consideration some of the comments the parties made. So if you wouldn't mind telling them that we will be getting back to them by mid-July, I would appreciate it. Kevin Maldonado left me a message when I was at my conference last week. I'm not going to call him but I will email him separately. I can't deal with calling anyone right now.

Thanks for being the go-between. It makes my life much easier.  
Sharon
